

# PHARMACEUTICAL & HEALTHCARE

**SAVINO DEL BENE®**

Global Logistics and Forwarding Company

# THE COMPANY

**Savino Del Bene**, which bears the name of its founder, was established in Florence in the early 1900s. The company's initial focus was on the development of trade lanes between Italy and the USA. Today, Savino Del Bene is a global company specialized in logistics and supply chain management, offering a variety of services in the form of ocean, air and truck shipments around the world.

**Savino Del Bene provides worldwide services, with more than 4300 employees, 172 own branches, 113 subsidiary offices and strategic partnerships.**

# OUR CAPABILITIES

**We offer advanced shipping services,** customs clearance, warehouse management and a wide range of logistics products. We constantly strive to enhance our relationships with core air and ocean carriers, from whom Savino Del Bene demands the highest quality and flexibility in order to provide its customers the best services at the most competitive rates.

Our experience in various market sectors and areas makes our company a **reliable partner for all industries** requiring shipping and transportation services. For over **100 years, together with our** customers' valued support, we have been able to keep an eye on future global challenges, hence ensuring the certainty of our long term mutual success.

# WHY SAVINO DEL BENE?

## PEOPLE / PROCESSES / TECHNOLOGY

**Savino Del Bene has kept the pace with the pharmaceutical industry, a fast growing sector under pressure to reduce global logistics costs, in which increased outsourcing has put the total supply chain control at the top of business strategies.**

Our mission is to exceed our customers' expectations by offering outstanding service and customized solutions through dedication and excellence.

We deliver the difference in pharmaceutical supply chain by offering tailor-made solutions, ensuring pharmaceutical compliance, expert services, temperature controlled transportation and cost efficiency.
