SAVINO DEL BENE®

Global Logistics and Forwarding Company

THE COMPANY

Savino Del Bene, which bears the name of its founder, was established in Florence in 1899. The company's initial focus was on the development of trade lanes between Italy and the USA. Today, Savino Del Bene is a global company specialized in logistics and supply chain management, offering a variety of services in the form of ocean, air and truck shipments around the world.

Savino Del Bene provides worldwide services, with more than 4300 employees, 172 own branches, 113 subsidiary offices and strategic partnerships.

LOAD MASTERS SUPERVISION

When a Yacht needs to be lifted out of the water and placed on a ocean vessel, the involvement of Loadmasters is a must.

Loadmasters have extensive experience and knowledge to judge how to perform a lifting, cradle placement and lashing of a yacht in the safest possible way.

Loadmasters work in close contact with **Savino Del Bene Engineering Dept** to issue a loading and discharge plan and to secure all tasks will be executed according to the agreed plan.

Among Loadmasters tasks, the coordination of third parties servants including Port Crew, Divers, Ship's Crew and liaising with the Ship's Master, who always has the last word on anything happening on board their vessels.
