Who we are

Savino Del Bene is the leading Italian international shipping company and has been successfully operating for over 120 years. We provide exceptional shipping and **logistics services** that are customized to meet our customers' needs.

We handle **complex shipments**
and provide **customized solutions.**

Our **global presence**

More than 300 offices located in 60 countries around the world

Why Savino Del Bene?

Five reasons that make us unique:

Human Touch

At Savino Del Bene, we believe that the key to success is **the human element**.

We value the personalized business relationships and partnerships we have with our customers.

Flexible solutions

Our flexibility is our strength offering a variety of shipping solutions in all modes of transport including **supply chain management** and customs clearance.

Expertise

We apply our extensive market knowledge to provide the right shipping solutions **for every business across the globe**.

Global network

Our worldwide presence of over **300 offices** in **60 countries** means we have in depth local knowledge of the customs and administrative regulations on all five continents.

Innovative Technology

Through our Savino Del Bene IT division we have developed **customized cutting edge IT programs** that cover every aspect of the shipping process. At Savino Del Bene IT, we developed our **own applications** to be integrated with the internal installations and cloud services of other providers.

International Freight Forwarding

We offer **tailor-made shipping** and logistics solutions designed to **meet your needs**.

Find out about our services

What makes us unique

Comprehensive expertise in the furniture industry

Shipments by sea, air and land to any destination in the world, all **efficiently handled with care**, and available for large or small quantities. We are able to manage requests ranging from early **morning pick-ups and after hour deliveries** to uncrating and removing debris.

Express & Charter Furniture Solutions

Our **outstanding expertise** covers all sizes and types of deliveries, from retail locations to private residences. Highly specialized in the transport of high-end furniture and furnishing accessories. When strict deadlines are involved, we offer charter and express shipping services of furniture by air for **any size shipment** whether small or extra large.

LCL/Groupage

Customized containers or groupage services only for furniture and similar products in order to guarantee extreme care in loading and transport optimizing costs and delivery times.

Visibility & Control

24/7 accessibility and visibility of your shipments through our Track & Trace system developed in-house.

Logistics solution

Our experts are at your complete disposal to explore the best logistics solutions for your furniture shipments.

- Distribution, storage and warehousing
- Door-to-door service
- Pick and Pack
- Delivery to the required floor
- PO management platform
- White gloves services
