and **logistics solutions** designed
to **meet your needs.**

Find out about our services

What makes us unique

Comprehensive expertise in the furniture industry

Shipments by sea, air and land to any destination in the world, all **efficiently handled with care**, and available for large or small quantities. We are able to manage requests ranging from early **morning pick-ups and after hour deliveries** to uncrating and removing debris.

Express & Charter Furniture Solutions

Our **outstanding expertise** covers all sizes and types of deliveries, from retail locations to private residences. Highly specialized in the transport of high-end furniture and furnishing accessories. When strict deadlines are involved, we offer charter and express shipping services of furniture by air for **any size shipment** whether small or extra large.

LCL/Groupage

Customized containers or groupage services only for furniture and similar products in order to guarantee extreme care in loading and transport optimizing costs and delivery times.

Visibility & Control

24/7 accessibility and visibility of your shipments through our Track & Trace system developed in-house.

Logistics solution

Our experts are at your complete disposal to explore the best logistics solutions for your furniture shipments.

- Distribution, storage and warehousing
- Door-to-door service
- Pick and Pack
- Delivery to the required floor
- PO management platform
- White gloves services
