## **125 Years of Excellence and Commitment: Savino Del Bene Celebrates a Significant Milestone**

Savino Del Bene, one of the leading companies in the field of international logistics and transportation, proudly celebrates its 125th anniversary. This historic milestone represents a significant moment for the Company which continues to lead the industry through innovation, reliability, and dedication.

Since its founding in Florence, Italy, in 1899, Savino Del Bene has consistently exceeded expectations in the field of logistics by challenging the limits, and over each decade expanding its global reach. With 337 offices spread across 60 countries worldwide, the Company has earned the trust of customers and business partners in every corner of the globe. Today Savino Del Bene is renowned for providing personalized logistics solutions, optimizing customers' supply chain management, and enhancing overall operational efficiency.

The success of Savino Del Bene is due to a combination of key factors; a constant commitment to operational excellence, the ability to adapt to changing market needs, and a continuous focus on technological innovation. Most importantly though, is that the Company always places people, their aspirations, expectations, and dreams, at the center of its attention.

"This anniversary represents a moment of great gratitude for all of us at Savino Del Bene," said President Paolo Nocentini. "125 years of success are the result of hard work, commitment, and passion of our employees (currently more than 6,000 worldwide), our customers, and our partners. We look to the future with optimism, ready to continue innovating and serving our customers with the excellence that distinguishes us."
