About

Savino Del Bene is a multinational Company operating worldwide in international freight forwarding and logistics support services. The Company manages air, ocean, and overland shipment services through its long-standing relationships with the best carriers and service providers. Established in Florence in 1899, in over 125 years of business, Savino Del Bene has evolved through an ongoing improvement and development process, which has enabled the Company to adapt and successfully tackle the market challenges.

Savino Del Bene firmly believes in the importance of maintaining an extensive presence in the territory to fully understand the needs of the customers and to offer an adequate shipment service, guided by the market itself. In 2023, Savino Del Bene shipped 735k TEU by sea and 87k tons by air, ending the year with a revenue of 2.7 billion euros.
