## ARE YOU MANAGING RISK EFFECTIVELY?

Did you know that if your cargo is not insured...

...the maximum legal liability of the carrier and of the freight forwarder for **OCEAN, AIR & TRUCK shipments** is ruled by International Conventions and applicable laws?

...if the reimbursement is due, it is always based on cargo weight, not on the selling value of the goods?

...in case of events such as **General Average**, even if your shipment emerges unharmed, you may still face **unexpected** extra costs?

SAVINO DEL BENE'S  
**QUALIFIED INSURANCE SPECIALISTS** ARE HERE  
TO PROTECT YOUR  
CARGO THROUGHOUT  
ITS ENTIRE JOURNEY.

## IT MIGHT NEVER HAPPEN TO YOU, BUT WHAT IF IT DOES?
