Florence and Valencia, 4th of May, 2026

Savino Del Bene acquires three Murcia-based companies of Grupo Marítima Sureste

Florence, Italy & Valencia, Spain – Savino Del Bene consolidates its position in the Iberian market through the acquisition of three companies belonging to Grupo Marítima Sureste. This transaction strengthens the presence in the strategic Murcia–Almería–Algeciras corridor and allows the integration of a well-established logistics structure with intermodal, rail, and in-house transport capabilities.

The agreement involves **Marítima Sureste Shipping**, a logistics and freight forwarding company coordinating activities from its main logistics hub in El Estrecho, a facility of over 50,000 sqm, with more than 10,000 sqm of warehouse space. Its assets also include a warehouse in Cheste (8,000 sqm) with 4,000 sqm of yard space, a 10,000 sqm warehouse at the Nonduermas railway terminal, where the company holds an exclusive ADIF concession for the management of rail freight and container trains, as well as additional facilities in Almería and Algeciras.

Marítima Sureste Spain, active in freight forwarding, and **Transportes Gaypemar**, which specializes in container overland transport, are also part of the deal.

“The integration significantly expands our geographical coverage and enhances our ability to offer more comprehensive and competitive logistics solutions, particularly in door-to-door services and intermodal operations”, stated Mr. Gianni Bachini, Savino Del Bene Regional Director of France, Spain & Portugal. *“In this context, the rail component becomes strategically relevant, enabling us to provide more efficient and sustainable alternatives to road transport while maintaining competitiveness in both costs and transit times. Furthermore, we are welcoming a highly specialized team with whom we share a common vision based on customer proximity and operational excellence.”*

In line with the Group’s global strategy, this transaction the commitment to local presence, specialization, and the integration of high value-added logistics services

The three companies will remain independent entities within the Savino del Bene Group.

About Grupo Marítima Sureste

Grupo Marítima Sureste is a Spain-based logistics group specializing in freight forwarding, intermodal transport, and integrated logistics services. In 2025, the Group handled approximately 10,000 TEUs, supported by a solid operational infrastructure and a well-established presence in Southern Spain.

Grupo Marítima Sureste offers extensive warehousing capabilities, with facilities designed to handle a wide range of goods, covering most classes of hazardous cargo, and operates its own fleet of trucks for container and land transport. A key differentiator is its strategic role in rail logistics, with operations at the Nonduermas terminal, enabling efficient and more sustainable transport solutions.

By combining transport, warehousing, and rail operations, Grupo Marítima Sureste delivers reliable end-to-end logistics services, bringing together operational flexibility, asset-based capabilities, and a strong focus on efficiency and sustainability.
